

Our RE Program relies on volunteers with a variety of talents to help with our program. We ask each family to donate five hours per year to help us with assorted tasks.

There are many ways you can share your time and your talent – with children, teens and adults. *You don't have to have all the answers; a willing heart and a generous spirit is all we ask!*

**Can we count on you?**

**Catechists, Co-Catechists, Substitutes**

We always have a need for classroom help. We'll pair you with another catechist and provide lots of training and resources. [Click here to learn more](#). If you only have limited availability, ask us about being a substitute. We have openings in all grades.

**Altar Cloth Helpers**

Calling all seamstresses! We need someone to make two altar cloths for our First Eucharist Celebrations. We'll provide all the materials and directions. We need you to seam it up and add some Velcro. Nothing complicated, we promise. (February deadline)

We need parents to wash altar cloths and return them to the RE Office. No ironing required! (Quarterly)

**Sunday Morning Office Help**

We always need help on Sunday mornings in the RE office during class. It might be delivering materials to classes or collating supplies for catechists or helping to organize the office.

**Marriage Prep Facilitators**

We need couples married five or more years to help with our Marriage Preparation Program. We have six sessions/year, and each session lasts six weeks. You'll be paired with another couple, and we'll provide all the resources and plans. Volunteer for whichever session(s) work best for your schedule. **Baptism Prep Facilitators**

We need individuals (or teams if you're more comfortable with a partner) to help with our Baptism Preparation Program. We hold one 90-minute session each month (both evenings and weekend mornings). We'll provide all the resources and training; you simply lead a discussion on the importance of baptism in a life of faith. As parents, you provide real-life perspective for new parents! Volunteer for whichever session(s) work best for your schedule. [Click here to see a calendar of sessions for 2018-2019](#).
