

## December Opportunities rev. 12.14.20

### **SOME Snack Bags & Coat Drive**

Since our monthly on-site service is discontinued, we invite you to continue this simple act of preparing snack bags. We heard from many of you what an opportunity it was to work with your children and to discuss hunger in our community. We will collect snack bags and coats on **December 19**. ### **Christ House**

Without monthly volunteer support and with diminished support from restaurants, the costs for feeding guests at [Christ House](#) has increased 40%. In-kind gifts to their kitchen are greatly appreciated. Needs include:

- \*Individual snack bags (chips and crackers, no sweets)
- \*Nutritious bars (Nutrigrain, granola bars, protein bars)
- \*Juice boxes (orange, apple)
- \*Oils (Evoo, Canola, Grapeseed)
- \*Canned Tomatoes (spaghetti sauce, diced tomato, tomato sauce)

*Kitchen donations can be dropped off Monday-Friday from 8:30-5:00 at their back door. Please ring the bell and wear a mask.*

### **Holiday Volunteer Opportunities at Fr. McKenna Center**

FMC has been fortunate for all the volunteers to come on their own and risk their health to serve the community. There are several opportunities to volunteer over the holidays, especially in early January. Visit their [sign up page](#) to learn more.

### **Capital Area Food Bank**

As COVID-19 cases rise in the DMV area, the need for food is also rising. Looking past the holidays, the CAFB will need additional support in their DC Warehouse to help pack Emergency Food Boxes in 2021. [Sign up for a volunteer shift.](#)

### **Catholic Charities**

Catholic Charities has adapted some holiday volunteer opportunities to respect COVID-19 guidelines. For a complete list of on- and off-site opportunities, [please visit their website.](#)

**FEED THE HUNGRY**

### **Georgetown Weekend Suppers for the Marginalized**

Started in 2013 by parishioners, and led by Mike Conway, a group of volunteers serve an average of 100 homeless men and women each weekend. For more information about supporting this program, contact [Mike Conway](#)
