### **Small Grant Submissions**

**Deadline for submission: March 3, 2023**

2022-23 marks the 38th year that Holy Trinity Catholic Church has set aside a percentage of its income to address social justice concerns within the Archdiocese of the District of Columbia and beyond. The Tithe Program seeks to address root causes of social justice issues both locally and across the global community. We accomplish this in collaboration with members of the parish through prayer and discernment and by giving our time, talents and resources to vulnerable communities.

Holy Trinity welcomes projects that contribute demonstrably to building a more just world and to upholding dignity, enhancing equality, and facilitating access to social and economic opportunity for people in poverty. Priority consideration is given to those proposals which advance the Universal Apostolic Preferences, primarily:

- Walking with the poor, the outcasts of the world, those whose dignity has been violated, in a mission of reconciliation and justice
- Accompanying young people in the creation of a hope-filled future
- Caring for our common home

In 2022, we funded requests that addressed food insecurity, migration/refugees, the environment, homelessness, returning citizens, and education. In 2023, we will consider organizations that also focus on advocacy.

**Submission Request:**

Please submit a document with the following:

1. Amount Requesting for 2023
2. A brief description of your organization.
3. A description of the funding need and impact.
4. Please share if Holy Trinity parishioners are part of your organization (volunteer/board members/etc.)
