

2022/2023 Tithe Grants

The tithe program (10 percent of parishioner's regular collections – offertory, pledge and holiday giving) seeks to address root causes of social injustice both locally and globally. The large grant this year focuses on women's health and well-being.

We are excited to partner with 11 new organizations this year. All grant recipients are required to provide regular reporting on the grant. As always, thank you to our parishioners for your financial support. The tithe amount for 2022 was \$403,000. This amount is a result of your generous regular offertory and pledge collections. An additional \$59,300 was applied from social justice ministry general funds to address food insecurity and homelessness, bringing the total to \$462,300.

Large Grant
