Fourth Sunday of Easter

## Reconciling God, Creation and Humanity *An Ignatian Examen For Earth Day*

Reconciling God, Creation, and Humanity is a reflection tool to heed Pope Francis' call in *Laudato Si'* to care for creation and to reconcile our relationship with God, creation and one another as expressed in the 36th General Congregation of the Society of Jesus.

With this in mind, this Ecological Examen asks you to reflect on your personal relationship with creation, to acknowledge and amend your ways and to promote ecological justice by standing in solidarity with those most impacted by environmental harm.

This Ecological Examen is a tool for prayer, reflection and action as individuals in their home, parish, school, university or community deepen our call to care for creation and the most vulnerable. Please join the Ignatian Family in seeking a conversion of heart to embrace ecological justice and Pope Francis' call to care for our common home.

Begin the Examen by placing yourself or your group in a posture that allows you to be open to the ways the Spirit is working in you.

There are six steps in the Examen. Go at a pace that works for you: pause at sections in the Examen that you would like to reflect more on.

If you are in a group, consider discussing what emerged in your personal Examen once you are done with the reflection.

**1. I give thanks to God for creation and for being wonderfully made.** Where did I feel God's presence in creation today?

**2. I ask for the grace to see creation as God does – in all its splendor and suffering.** Do I see the beauty of creation and hear the cries of the earth and the poor?

### Reconciling God, Creation and Humanity *continued from page 1*

**3. I ask for the grace to look closely to see how my life choices impact creation and the poor and vulnerable.** What challenges or joys do I experience as I recall my care for creation? How can I turn away from a throwaway culture and instead stand in solidarity with creation and the poor?

**4. I ask for the grace of conversion towards ecological justice and reconciliation.** Where have I fallen short in caring for creation and my brothers and sisters? How do I ask for a conversion of heart?

**5. I ask for the grace to reconcile my relationship with God, creation and humanity, and to stand in solidarity through my actions.** How can I repair my relationship with creation and make choices consistent with my desire for reconciliation with creation?

**6. I offer a closing prayer for the earth and the vulnerable in our society.**

#### “A Prayer for Our Earth”

All powerful God, you are present in the whole universe and in the smallest of your creatures.

You embrace with your tenderness all that exists.  
Pour out upon us the power of your love, that we may protect life and beauty.

Fill us with peace, that we may live as brothers and sisters, harming no one.

O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes.

Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction.

Touch the hearts of those who look only for gain at the expense of the poor and the earth.

Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light.

We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, love and peace. (*Pope Francis, Laudato Si’, n. 246*)
