Pentecost Sunday

FROM THE PASTOR'S DESK

by Fr. C. Kevin Gillespie, S.J.

The Feast of The Pentecost invites one to reflect about how the Holy Spirit transforms lives, individually and collectively. Presently at Holy Trinity a series of changes and transformations are taking place. For instance, as many of you know, on July 31st, the Feast of St. Ignatius, Martina O'Shea is retiring from her position as the Director of Ignatian Retreats and Training. Having directed and coordinated a plethora of retreats and having trained dozens of directors, our parish community is deeply grateful for Martina's keen wisdom and bold witness of faith. While Martina's charisms are not replaceable, the search for a new Director is underway.

In late June, Fr. Bill O'Neill will also be leaving the parish to return to ministering to the refugees in the Jesuit Refugee Service camps in Kenya. While with us only a few months in the fall of 2022 and again this spring, Fr. Bill has certainly made a significant contribution to the parish by presiding at Masses, performing outreach to the sick, offering video homilies and providing a collaborative and generous presence.

Meanwhile, Fr. Jack Dennis, who joined our staff in

March, has been briefly assigned to help out at our Jesuit parish in Charlotte, NC for two months. Fortunately, Fr. Jack will return to Holy Trinity in August.

The past weeks have seen the lives of many of our young parishioners transformed, with over 100 celebrating their first communion, over 100 young adults confirmed, as well as numerous baptisms.

Another way the Holy Spirit has inspired transformative change is through our parish's Tithing Program. Ashley Klick, our Pastoral Associate for Social Justice, coordinated our Grants Committee of generous volunteers: Sue Blain, Alejandra Obando, Bruce Cohen, Alrene Pietranton, Jacqui Mooney and Lauren Wolkov.

The Committee sorted through a host of proposals from 91 nonprofit organizations. Their work required weeks of careful reading and vibrant discussions after which they determined to recommend to me that Holy Trinity Parish award 30 local, regional and global organizations.

The amount available this year from the pledge and general/holiday offerings is \$443,000. Furthermore, I concurred with The Committee's recommendation that we supplement the total with \$70,000 from the Alms/Community Fund, bringing the total funds available to \$513,000! Thank you one and all for your amazing generosity.

The large grant focus for 2024 is on violence prevention in youth. The Committee thereby opted to award grants totaling \$100,000 to two organizations: BEST Kids, Inc. (\$65,000) and the T.R.I.G.G.E.R. Project (\$35,000). Grants were also awarded to Maria Madre, our sister parish in El Salvador, and our various projects in Haiti.

In addition to the large grant theme, The Committee awarded small grants (\$5,000-\$20,000) to organizations addressing environmental justice, racial justice, refugees/migration, returning citizens, homelessness, and youth. I should note that the Committee is guided by our Jesuit Apostolic Preferences: Showing the Way to God; Walking with the Excluded; Journeying with Youth; and Care for Our Common Home.

Yes, the Holy Spirit is truly inspiring our parish to live out its Mission statement of *“accompany one another in Christ, celebrate God’s love and transform lives.”*

We are excited to award grants to 30 organizations - including six new groups.

Creation Care Corner

Celebrating the Anniversary of Pope Francis' transformational encyclical, Laudato Si'.

"Care for Creation" and *Laudato Si'* (Part I)

- The Pope's encyclical, *Laudato Si'*, is a text of landmark significance in Catholic Social Teaching.
- Francis, like his thirteenth-century namesake, calls the earth our "common home," which is like our sister.
- But we are damaging this familial relationship as we seriously degrade the environment. In so doing, we are damaging our relationship with other humans, particularly those least equipped to adjust to the changing environment: the poor and future generations.
- The Pope encourages people to examine and change their lifestyles through sound ecological virtues, greater simplicity and less focus on material things.
- Francis extends an "urgent challenge to protect our common home ... to bring the whole human family together to seek a sustainable and integral development, for we know that things can change."
- By taking personal action and reducing excessive consumption and waste in our lives, we can meet our obligation to reduce our impact on the environment while creating a sustainable future for generations to follow.
