

# HOLY TRINITY CATHOLIC CHURCH

October 13, 2024

Twenty-Eighth Sunday in Ordinary Time

## An Ignatian Examen for Civic Life *Adapted from the Ignatian Solidarity Network*

The Daily Examen, an ancient practice in the Catholic faith tradition, is a technique of prayerful reflection on the events of the day in order to detect God's presence and discern a direction forward.

In his Spiritual Exercises, St. Ignatius of Loyola described the Examen as a gift that came directly from God, and that God wanted it to be shared as widely as possible.

St. Ignatius recommended that Jesuits practice the Examen twice daily—at noon and at the end of the day. Praying the Examen regularly is a habit that Jesuits, lay collaborators, and many other Christians, practice to this day.

In daily prayer with the Ignatian Examen, God meets us where we are, inviting us to places we may not be willing—but need—to go.

This Ignatian Examen for Civic Life calls us to be contemplatives in action. We are invited to talk with God in specific ways about the interrelationship between Gospel values and political engagement.

### Begin with a prayer of gratitude.

- Consider the current realities of our country—for what and for whom are you most grateful?

*[Pause for reflection, then continue]*

### Ask for God's guidance.

- Invite the Spirit of God to illuminate your reflections.

*[Pause for reflection, then continue]*

Enlightened by the spirit, prayerfully review our nation at this point in history; pay attention to your emotions and reactions.

- What energizes you or brings you closer to God as you reflect on our country?

## An Ignatian Examen for Civic Life

*continued from page 1*

- What distracts you or makes you feel farther away from God as you reflect on our country?
- What is the current situation of your brothers and sisters, particularly those who are most vulnerable and often marginalized by poverty and injustice?
- What are the ways that your identity and privileges shape your perspective and vision for our country?
- Allow your honest reactions, emotions, and desires to surface.

*[Pause for reflection, then continue]*

### Conversation with God

- Consider perhaps one or two of the strongest desires or feelings evoked by your prayers about our country and bring this to God.
- Engage God in conversation over these desires or feelings, speaking simply, clearly, directly, and honestly, as one friend speaks to another.
- What areas of your life as a faithful citizen do you lament?
- What communities, groups, or aspects of creation in our nation need healing and reconciliation?
- What is God's desire for people who are marginalized by poverty and injustice?
- What areas of your life / our nation's life do you rejoice in and celebrate fidelity to Gospel values?
- Listen with your heart—how is God present to you through your reactions and desires?

*[Pause for reflection, then continue]*

### Prayer of renewal and resolution

As we prepare to elect new leaders, how will you promote the common good? Ask God for the assistance you need to enact greater, more lasting good for all

God's people. Is there a specific attitude you want to cultivate or an action you want to take? Entrust your desires and intentions to God's grace. Amen.

Holy Trinity School Annual Fund

**The Solomon Family On Supporting The HTS Annual Fund**

I wanted to take a moment to express how truly blessed our family feels to be a part of this wonderful school community. From the first day we walked our oldest (of five children) through the doors of the Lower School on his first day of kindergarten over 14 years ago, we knew we were not simply sending our children to school but becoming a part of a community that nurtures and supports its members in every way possible.

Our kids — two of whom are current HTS students and three of whom are HTS graduates, including our oldest who is a freshman in college — have grown tremendously here, not only in their academic pursuits but in their understanding of what it means to live a life rooted in our Catholic faith.

The strong academic foundation they are receiving is remarkable, but even more valuable is how the school reinforces the values that we hold close as a family — faith, compassion, kindness, and service to others. It's these lessons that truly shape who they are becoming as young people, grounded in their faith and prepared to enter a world after their time at HTS with integrity and grace.

Beyond the strong academic foundation that HTS teachers and staff provide every day, we are continually moved by the way this community shows up for each other in times of need. Whether it's organizing a meal train for a family welcoming a new baby or mourning a loved one, or simply offering a helping hand when someone needs a last-minute pickup, the spirit of generosity here is truly humbling. It's these small, everyday gestures of kindness that remind us that we are surrounded by a village of people who genuinely care about each other.

In a world that often feels rushed and disconnected, being part of a community like this is a gift that we do not take for granted and why we welcome the opportunity to give back by supporting the Annual Fund. We are so thankful for the teachers, staff, and fellow parents who have embraced our family and helped shape our children's education and faith journey in such a meaningful way. We hope that you feel the same way too and will decide to support the Annual Fund this month. Every donation, big or small, makes a difference.

With deep gratitude and love,

The Solomons
